

FIRE STATION 109 DRIVEWAY PROJECT

1. GENERAL

- Perform all work in accordance with applicable codes, local ordinances, and requirements of Lake County.
- The Contractor shall provide all required permits, plans, engineering, and inspections to provide a 100% completed project.

2. PURPOSE

- The purpose of this solicitation is to select a qualified Contractor to complete the work at Fire Station 109. The work entails grading, utility locates, fill dirt, compaction, debris removal, and the installation of reinforced concrete pipe (RCP) and manhole per Driveway Pipe Modification No. 6.

3. DESCRIPTION OF WORK

- Install reinforced concrete pipe (RCP), fill dirt, and manhole per Driveway Pipe Modification No. 6.

4. METHOD OF PAYMENT

- The Contractor(s) shall submit invoices to the County's Project Manager after the work has been completed. In addition to the general invoice requirements set forth below, the invoices shall reference, as applicable, the corresponding delivery ticket number, packing slip number, or other acceptance document that was signed by an authorized representative of the County user department at the time the items were delivered and accepted. Submittal of these monthly invoices shall not exceed thirty (30) calendar days from the delivery of the goods or services. Under no circumstances shall the invoices be submitted to the County in advance of the work being completed.
- All invoices shall contain the contract and/or purchase order number, date and location of delivery or service, and confirmation of acceptance of the goods or services by the appropriate County representative. Failure to submit invoices in the prescribed manner will delay payment, and the Contractor may be considered in default of contract and its contract may be terminated. Payments shall be tendered in accordance with the Florida Prompt Payment Act, Part VII, Chapter 218, Florida Statutes.

5. BUSINESS HOURS OF OPERATION

- Work shall be performed between the hours of 8am to 5pm Monday – Friday (excluding holidays). All work done after hours, on Saturday, Sunday, or holidays will be required to be approved by the County's Project Manager.

6. CLEAN-UP

- All unusable materials and debris shall be removed from the premises at the end of each workday, and disposed of in an appropriate manner. Upon final completion, the Contractor shall thoroughly clean up all areas where work has been involved as mutually agreed with the County's Project Manager.

7. COMPLIANCE WITH FEDERAL STANDARDS

- All items to be purchased under this contract shall be in accordance with all governmental standards, to include, but not be limited to, those issued by the Occupational Safety and Health Administration (OSHA), the National Institute of Occupational Safety Hazards (NIOSH), and the National Fire Protection Association (NFPA).

8. LABOR & MATERIALS SHALL BE SUPPLIED BY THE CONTRACTOR

- Unless otherwise stated in this solicitation the Contractor shall furnish all labor and materials necessary for satisfactory contract performance. When not specifically identified in the technical specifications,

such materials and equipment shall be of a suitable type and grade for the purpose. All material, workmanship, and equipment shall be subject to the inspection and approval of the County's Project Manager.

9. WARRANTY

- The contractor shall provide a **one (1) year** warranty to include all materials and labor. Defects shall be made good promptly, within the warranty period.

10. QUANTITIES

- No guarantee is expressed or implied as to quantities or dollar amounts that will be used for this project. In no event shall Lake County be liable for payments in excess of the amount due for quantities of goods or services actually ordered.
